

Tanzania Rural and Urban Roads Agency (TARURA) is an executive agency under the President's Office, Regional Administration and Local Government (PO-RALG). Established with the aim of developing, maintaining, and improving road safety, TARURA also plays a critical role in managing the environmental impacts of roads, as well as ensuring the effective operation of axle load control across district roads networks in Tanzania.

TARURA is currently looking for self-motivated, qualified, and competent Tanzanians to fill vacant positions for a period of twelve (12) months. If you're passionate about contributing to the development of Tanzania's infrastructure, now is your chance to be part of this dynamic team!
